

## 2019 COMMITTEE Request Form

The success of any Association ultimately depends upon the contributions of its members. The Rancho Southeast Association of REALTORS® relies upon the dedication and service of our REALTOR® and Affiliate members. By participating on a committee, each member helps to guide the Association by recommending improvements and overseeing programs and expenditures

Ideas that are discussed at the committee level become motions, which then are brought to the Rancho Southeast Association REALTORS® Board of Directors for consideration. Once a decision is made, the Rancho Southeast Association of REALTORS® Leadership and Management Team are tasked with implementing the objective.
